Eligibility

Academic requirements:
- Cumulative 3.25 GPA (unweighted)
- Earned at least “B” grades in high school math and science courses
- Completed a minimum of 3 years of mathematics courses by the end of the 2019-2020 academic year
- Be a high school sophomore, junior or senior during the 2019-2020 school year
- High school seniors who have been accepted to ASU and plan to attend ASU during the fall 2020 semester

Arizona residency requirements:
- Qualify for Arizona in-state tuition
- U.S. citizen or U.S. permanent resident
- Reside in Arizona or the Navajo Nation for at least the last 2 years

Important info

- Incomplete or late applications will not be considered.
- Accepted students are required to take a placement exam to determine final class placement.
- Special consideration is given to students who are first-generation college-bound. Statewide representation is also a consideration.
- Decisions of the selection committee are final.

In loving memory of Dr. Joaquin Bustoz (1939-2003), founding director of the Joaquin Bustoz Math-Science Honors Program.
The Joaquin Bustoz Math-Science Honors Program (JBMSHP) is an intensive residential academic program that provides motivated students an excellent opportunity to begin university level mathematical science studies before graduating high school. The JBMSHP is intended for mature and motivated students who are interested in academic careers requiring mathematics, science, or engineering based coursework and who are typically underrepresented in those fields of study.

Earn college credit  Live on campus
FREE to attend

8-week session: May 25 - July 17, 2020 (4 credits)
- MAT 270: Calculus with Analytic Geometry I
- MAT 271: Calculus with Analytic Geometry II

6-week session: June 7 - July 17, 2020 (3 credits)
- MAT 171: College Algebra
- MAT 170: Pre-Calculus
- MAT 343: Applied Linear Algebra*

* This course is only available to previous JBMSHP participants who demonstrate college or AP credit for MAT 271: Calculus with Analytic Geometry II by the application deadline.

99% JBMSHP alumni college attendance after high school **

** Since 2005

Complete applications include:
- Application form
- Personal/career statement
- Unofficial high school transcript
- Letter of recommendation

Application deadline:
Friday, February 7, 2020
