Joaquin Bustoz Math-Science Honors Program

Summer 2022
Overview

The Joaquin Bustoz Math-Science Honors Program (JBMSHP) is an intense academic program for students interested in academic careers requiring mathematics, science, or engineering-based coursework who are typically underrepresented in those fields of study. Participants live on the ASU Tempe campus while enrolled in a university-level mathematics or computer science course.

- Earn three (3) university credits
- Live on the ASU Tempe campus
- Take classes with ASU faculty
- Learn how to successfully transition to college
- FREE TO ATTEND!
Dates and courses

Dates: May 30 - July 8, 2022

Location: ASU Tempe campus

Courses:
- MAT 117: College Algebra
- MAT 170: Pre-Calculus
- MAT 265: Calculus for Engineers I
- CSE 110: Principles of Programming w/ Java

Housing requirement

Students are required to reside on the ASU Tempe campus from Sunday night to Friday afternoon for the duration of the JBMSHP. Students who live outside of the Phoenix metropolitan area are welcome to stay on the weekends.

NOTE: A small cohort of 10 students will be allowed to attend the JBMSHP daily from 8:00am - 4:00pm without the residential requirement. Students will need to provide their own transportation to and from the ASU campus daily.
Eligibility

Requirements:

- Cumulative 3.25 GPA (unweighted)
- Earned “A” or "B" grades in high school math and science courses
- Completed a minimum of 3 years of mathematics courses by the end of the 2021-2022 academic year
- Be a high school sophomore, junior or senior during the 2021-2022 school year
- High school seniors who have been accepted to ASU and plan to attend ASU during the fall 2022 semester
- U.S. citizen or U.S. permanent resident
- Must have lived in Arizona for at least 2 years

How to apply

Complete applications include:

⇒ Application form
⇒ Personal/ career statement
⇒ Unofficial high school transcript
⇒ Letter of recommendation

Apply at: jbmshp.asu.edu

Important information

- Incomplete or late applications will **NOT** be considered.
- Special consideration is given to students who are first-generation college-bound, typically underrepresented in STEM, and/or represent diverse backgrounds throughout the State of Arizona, including rural communities and the Navajo Nation.
- Decisions of the selection committee are final.
